

**Tourism, Landscape and Cultural Heritage:
perspectives of protection , enhancement and sustainable development
- 11th SISTUR Scientific Meeting -
Rende – Cosenza (Italy) October 24th-26th 2019**

Dear colleague,

The 11th SISTUR Scientific Meeting is organized by the Italian Society of Tourism Sciences (SISTUR), by the University of Calabria (UNICAL) and by the Institute for Mediterranean Agricultural and Forestry Systems of the National Research Council (ISAFOM-CNR).

The Meeting program includes three sessions: Tourism, Landscape, Cultural Heritage.

The works of the Meeting will be published on scientific journals or in a volume of the SISTUR series.

HOW TO PARTICIPATE

Participation at the Meeting is free. Registration is, however, required by September 15th 2019, filling in the attached form. Form must be send by e-mail, duly signed, to:

congressosistur2019@gmail.com

PRESENTATION OF THE ABSTRACT

The maximum number of characters for the text (spaces included) is 2300 (excluding the title, authors and affiliations). It is not possible to insert images, tables or figures. Three key words must be included in the text. The abstracts can be write in Italian or English taking care to insert the session of reference: Tourism, Landscape or Cultural Heritage and the method of preferred presentation (oral communication, poster or round table). We remind you that at least one author of each contribution must be register for the Congress.

The Organizing Secretary will submit the abstracts to the evaluation of the Scientific Committee and notify the acceptance, such as oral communication, poster or round table, will be sent by September 30th 2019.

The selected contributions, according with the indications of the authors will be included into the meeting program.

After the Congress, an extended version of the selected scientific papers may be published in scientific journals or in a volume of the SISTUR series, upon request of the authors.

Scientific papers will be anonymously selected by the Scientific Committee. Please note that, in the event of a positive outcome of the selection, the definitive work must necessarily be adequate to the editorial parameters of the magazine or the volume.

FORMAT OF POSTERS

The size of the poster will be communicated upon acceptance of the abstract.

NOTIFICATION

All communication will be via e-mail. Therefore, it is very important to enter a valid e-mail address.

It reminds SISTUR Members that participation in the Congress and the submission of abstracts is reserved, for administrative and fiscal reasons, only to those who are up to date with the payment of dues.

For the association methods: www.sistur.net (on the page "become a member").
